I am in support of Bills #6-7

I am a home owner in favor of rentals for less than 30 days which include B&B's, condos, and private homes. I would like you to take more time to discuss and improve Bill #6-7. I have neighbors who are close friends and support this rental concept. We respect our neighbors and do not allow any parties.

I am not in favor of Bills #8-9

I am against advertising the locations any rentals. My home has been broken into and property destroyed and stolen. I think the passage of these bills would increase risk.

For many reasons your focus and wisdom is important to keeping **our island the finest vacation destination in the United States.**

Thanks you for the patience and consideration you've taken on this important issue.
